

Penrose Hospital

A community of caregivers on a mission.

FACT SHEET | 2022 | [centura.org](https://www.centura.org)

Penrose Hospital combines expert medical skills with a compassionate touch, to care for the whole person.

Penrose Hospital, located in the heart of downtown Colorado Springs, was established in 1890 and continues to serve as a flagship hospital in our community, offering the highest quality of care led by compassion. Penrose Hospital provides secondary and tertiary (high tech) medical-surgical services specializing in cancer care, cardiac care, emergency trauma care, hospice, imaging, neurosciences, and palliative care. Additionally, Penrose Hospital is an American College of Surgery (ACS) verified Level I Trauma Center, capable of providing total care for every aspect of injury—from prevention through rehabilitation.
